

## Innovatus Imaging EOL Notification

Innovatus Imaging EOL Notification #: EOL-00001  
 EOL Title: EOL Notification for Solid state x-ray imager (flat panel/digital imager)

End-of-Life (EOL) Notification Date: July 10, 2020

Dear Customer/Supplier,

Customer satisfaction is one of our major core values at Innovatus Imaging. In keeping with these values and putting our customers first, we wanted to take the time to keep you up to date with what has happened over the last couple of months. Innovatus Imaging has sold the IPS Business (CR, Dr included) and the associated assets to 626. This deal includes managing and monitoring Innovatus Imaging's end of life activities. 626 and Walsh Imaging (626 subsidiary) will continue to support the DR product line formerly known as IPS within Innovatus Imaging. We are confident that 626 and Walsh Imaging will carry on the critical work so needed by our customers and their patience.

Therefore, effective immediately Innovatus Imaging is announcing the manufacture / distribution discontinuance and our plan to End of Life (EOL) of the following:

Innovatus Imaging Part Number	Owner Operator Number	Listing Number	Premarket Submission Number	Product Code	Device Name	Registration Number	Activities
75064 Kit, DR1417SYS, P0500	10029692	D317808	K141440	MQB	Solid state x-ray imager (flat panel / digital imager)	3009436116	Contract Manufacturer

The last day to order all affected products from Innovatus is [July 10, 2020].

- Table 1 below describes the end-of-life milestones, definitions, and dates.
- Innovatus Imaging will not be selling a replacement product.
- Innovatus Imaging will not be selling or offering extended or additional service agreements for this product.

Reason for Termination:

- This product is not aligned with Innovatus Imaging's Corporate Vision.

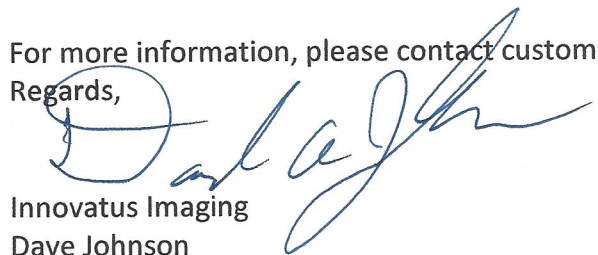

Anticipated Customer Impact:

- Negligible. Innovatus Imaging has sold the IPS Business (CR, Dr Products) and its assets to 626. The IPS business is right in line with 626 and Walsh Imaging's core competencies. This deal includes managing and monitoring Innovatus Imaging's end of life activities. 626 and Walsh Imaging will continue to support the DR product line formerly known as IPS within Innovatus.

Replacement Product: None

For more information, please contact customer service or your account representative.

Regards,

  
Innovatus Imaging  
Dave Johnson  
CEO

Table 1		
Milestone	Definition	Date
Innovatus Imaging End-of-Life (EOL) Notification Date **	The date the document that announces the last time buy and end-of-life of a product is distributed to the general public	July 10, 2020
Innovatus Imaging Last Time Buy (LTB)* Date **	The last date to order the product through a Mellanox point-of-sale mechanism. The product is no longer for sale after this date	July 10, 2020
Last Ship Date**	The last possible ship date that can be requested of Innovatus Imaging. Actual ship date is dependent on lead time.	None 626 will support
End of Service (EoS)** Contract Renewal Date	The last date to extend or renew a service contract for the product.	None 626 will offer EOS Contracts

\*Manufacture/Distribution - Discontinue and Last Time Buy Definition - As part of Innovatus Imaging's EOL notification program, this notice serves as a formal communication of Innovatus Imaging's intent to perform a Manufacture Discontinue (MD) of the products listed above and propose a Last Time Buy (LTB) date for each product. For the time between LTB, MD and EOL, emergency recovery and/or upgrades may be performed in accordance with customer-specific service plans or upgrade agreements, as negotiated prior to LTB.

\*\*End of Service Definition – This notice serves as formal communication of Innovatus Imaging's intent to end the life of the product noted. All further Innovatus Imaging support will not be provided once the End-of-Service (EOS) timeline is reached. Innovatus has sold the DR Panel business to 626. All future service will be performed by 626 including those customers with a valid warranty or contract extensions. 626 will maintain spares and support capability throughout the life of all contracts currently in place. As of the EOL date, any new support contracts will only be issued through 626. Emergency recovery and/or upgrades may be performed in accordance with customer specific service plans or upgrade agreements as negotiated prior to EOL.
